ABOUT THE BRAND

Connecting Nepali Talent with Global Opportunities.

Aakarshan International Pvt. Ltd. is a government-registered ethical recruitment certified agency based in Kathmandu, Nepal, operating since 2005.

We specialize in sourcing, processing and deploying Nepali migrant workers for overseas employment through ethical, transparent and responsible recruitment practices.

VISION

To be the first choice for Nepalese migrant workers and employers worldwide through ethical, transparent and responsible recruitment.

MISSION

To provide ethical, transparent and responsible recruitment services aligned with applicable laws and international recruitment standards.

VALUES

Integrity · Fairness · Transparency · Quality
· Respect · Partnership · Continuous Improvement

BRAND VOICE

Our voice reflects who we are
and how we communicate.

Aakarshan's communication reflects
its commitment to ethical recruitment,
professionalism, transparency, fairness
and respect for workers' rights.

OUR VOICE PRINCIPLES

- ✓ **Be Human:** We speak to people, not at them.
- ✓ **Be Honest:** We communicate with integrity and clarity.
- ✓ **Be Relevant:** We provide meaningful information that adds value.
- ✓ **Be Consistent:** We maintain a consistent tone across all channels.

LOGO GUIDELINES

Our logo is the visual representation of our brand.

It reflects our identity, values, and commitment to connecting Nepali talent with global opportunities.

LOGO VARIATIONS

& CLEAR SPACE

These are the approved versions of our logo.

PRIMARY LOGO

MONOCHROME

ICON ONLY

CLEAR SPACE

Always keep a minimum clear space around the logo equal to the height of the letter "A" from the logo.

X = Height of "A"

X = 28 px at standard logo size

INCORRECT USAGE

To maintain the integrity and visibility of our logo, always respect the clear space and minimum size requirements.

Do not stretch the logo

Do not rotate the logo

Do not change the colors

Do not add shadows

Do not add outlines

Do not place on busy backgrounds

Do not change the typography

Do not alter or rearrange elements

COLOR USAGE

These colors represent the core identity of Aakarshan International Pvt. Ltd. Use primary colors for key brand elements and secondary colors for supporting graphics, backgrounds, and UI elements.

CLOCK

RECORD FILE

CAP

LANYARD

TSHIRT

DO'S & DON'TS

Quick-reference guide for consistent brand usage.

DO'S

LOGO

01

Use Approved Logo Versions and colors

Use only the approved Primary, Monochrome, or Icon-Only logo versions and only logo colors.

02

Maintain Clear Space

Maintain a minimum clear space of 1X around all sides of the logo, where X equals the height of the capital "A" in the Aakarshan wordmark. x= 28px

03

Standard Clear-Space Reference

At the standard logo size used in this guideline, X = 28 px.

04

Maintain Original Proportions

Keep the logo's original proportions whenever it is enlarged or reduced.

05

Use Clean Backgrounds

Place the logo on clean, uncluttered, and high-contrast backgrounds.

06

T-shirt Placement

Place the logo on the front right side of T-shirts.

08

Maintain Legibility

Ensure the logo remains clear and legible at every size.

09

Maintain Consistent Spacing

Maintain consistent and appropriate spacing around the logo across all applications.

DON'TS

LOGO

01

Don't stretch or distort

Do not stretch, elongate, compress, or distort the logo.

02

Don't resize disproportionately

Do not resize the logo disproportionately.

03

Don't rotate or flip

Do not rotate, tilt, or flip the logo.

04

Don't use busy backgrounds

Do not place the logo on busy or low-contrast backgrounds.

05

Don't recolor the logo

Do not recolor the logo outside the approved color palette.

06

Don't violate clear space

Do not place text, graphics, images, or other elements inside the required clear-space area.

07

Don't alter logo elements

Do not alter, rearrange, remove, or replace any logo elements.

08

Don't change logo typography

Do not change the logo typography.

09

Don't reduce legibility

Do not reduce the logo to a size where the company name or other elements become unclear.

DO'S & DON'TS

Quick-reference guide for consistent brand usage.

DO'S

COLOR

01

Use primary brand colors

Use Aakarshan Blue #179DC0 and Aakarshan Orange #FA6A14 as the primary brand colors.

02

Use approved supporting colors

Use approved supporting colors such as Light Blue, Black, Dark Grey, White, and Gray where appropriate.

03

Follow the color hierarchy

Follow the established brand color hierarchy and usage ratio.

04

Use exact color values

Use the exact approved HEX, RGB, and CMYK values

05

Maintain good contrast

Maintain sufficient contrast between text, graphics, and backgrounds.

06

Keep primary colors dominant

Keep the primary brand colors visually dominant across branded materials.

DON'TS

COLOR

01

Don't use unapproved colors

Do not introduce off-palette or unapproved colors.

02

Don't approximate colors

Do not visually guess or approximate brand colors.

03

Don't use low contrast

Do not use low-contrast color combinations that reduce readability.

04

Don't overuse supporting colors

Do not overuse supporting or accent colors at the expense of the primary brand colors.

05

Don't modify approved colors

Do not modify approved color values without authorization.

DO'S & DON'TS

Quick-reference guide for consistent brand usage.

DO'S

Minimum safe margin

01

Maintain a safe margin

Maintain a minimum safe margin around important brand content to ensure clarity, balance, and consistency.

02

Keep essential content inside the safe area

Keep logos, headings, body text, contact information, and other essential content within the safe area.

03

Maintain print margins

For A4 and print materials, maintain a minimum safe margin of approximately 20 mm from each edge.

04

Maintain digital margins

For digital and social media applications, maintain a minimum safe area of approximately 5% of the canvas dimensions from each edge.

05

Allow flexible spacing

Larger margins may be used depending on the format, layout, and design requirements.

06

Allow decorative elements to extend

Decorative graphics, background images, patterns, and shapes may extend beyond the safe margin where appropriate.

DON'TS

Minimum safe margin

01

Don't place content too close to edges

Do not place logos, important text, or contact information too close to the page or canvas edge.

02

Don't treat margins as fixed

Do not treat the minimum safe margin as a fixed layout margin for every design.

03

Don't reduce the safe margin

Do not reduce the safe margin simply to fit additional content.

04

Don't use inconsistent edge spacing

Do not use inconsistent edge spacing that makes the design appear crowded or unbalanced.

DO'S & DON'TS

Quick-reference guide for consistent brand usage.

DO'S

Typography

01

Use the primary typeface

Use Inter as the primary brand typeface.

02

Use approved supporting typefaces

Use Lato, Open Sans, or Roboto only as approved supporting or fallback typefaces.

03

Follow the type hierarchy

Follow the established H1, H2, H3, and Body typography hierarchy.

04

Use approved font weights

Use approved font weights consistently across all brand materials.

05

Maintain proper spacing and alignment

Maintain appropriate spacing, alignment, and readability throughout all typography.

06

Keep typography consistent

Keep typography consistent across print, digital, presentation, and social media materials.

07

Maintain legibility

Ensure text remains clear and readable across different sizes, formats, and devices.

DON'TS

Typography

01

Don't use unapproved typefaces

Do not substitute approved typefaces with unapproved fonts.

02

Don't mix inconsistent typefaces

Do not mix unrelated or inconsistent typefaces within the same brand material.

03

Don't ignore the hierarchy

Do not ignore the established heading and body-text hierarchy.

04

Don't overuse text styling

Do not overuse bold, italic, underline, or decorative styling.

05

Don't compromise readability

Do not use text sizes that reduce readability.

06

Don't distort typefaces

Do not stretch, compress, or distort typefaces.

07

Don't use inconsistent typography

Do not apply inconsistent typography styles across different applications.
